Apologies:

Our guests Terry Pratchett and Iain Banks have had to withdraw for personal reasons.

Sits. Vac.:

We need a Secretary and a Treasurer, a few hundred others probably wouldn't come amiss either.

Good news:

We may have to relocate to Ibiza, we found these really good Winter rates...

The Convention that will put the Since back into Since Fiction.

We promise lots of games to keep you out of the bar, lots of nice wooden panels to bore you stiff, lots of workshops to keep you working, eg. our cook your own banquet workshop, run in the hotel kitchens, lots of GOH speeches, (each of our guests has been invited to give a four hour speech), lots of security to keep you on your toes (or perhaps on your feet would be more accurate), no beer, to keep you wide awake, cardboard sandwiches to keep your jaws working (you don't want to talk do you?), half cooked chicken to keep you running, no information to keep you guessing, our Masquerade is to be a scratch affair, please bring your own fleas.

N.B. To prevent problems with intruders the hotel doors will be locked half an hour after the Convention starts.
